

Onalytica's Top 100 Influencers In Fintech Features CFTE's Co-founder Alongside Several CFTE Experts

London, 31 August 2021 - Tram Anh Nguyen, CFTE's Co-founder is recognized as one of the most influential voices in Fintech in [Onalytica's top 100 influencer's latest report](#). She features among the top 22 Key Opinion Leaders in the fintech space due to her high degree of topical authority and relevant audience following online. Several close collaborators, partners, and experts at CFTE also made it to the list.

CFTE is overjoyed to have their passionate, driven and trailblazing Co-founder, Tram Anh Nguyen, featured as a Key Opinion Leader in the Fintech ecosystem by [Onalytica](#) alongside 21 exceptional industry figures. Onalytica's influential experts are selected using the 4 Rs methodology (Reach, Resonance, Relevance and Reference), to qualitatively and quantitatively measure impact. Her place among the industry's movers and shakers does not do justice to her powerful voice that strives to accelerate change and growth in the Fintech industry by transforming people.

As the Co-founder of CFTE, an EdTech startup that specialises in financial technology education, Tram Anh's mission to help everyone access knowledge in Fintech - from AI, blockchain, payments, open banking, RegTech, and more - echoes her values as an influential change-maker in the industry. Tram Anh believes that the title awarded to her as an influential spokesperson is also largely in part due to her company, CFTE's involvement in speaking engagements in the industry that help take discussions on the disruptive changes in fintech to the bigger stage. It also is CFTE's robust expert community of experts who by teaching online, help taking fintech education to a much larger, global scale.

Tram Anh Nguyen, CFTE's Co-founder says. "It is an honour to be recognised as one of the top 100 influential voices, and among the top 22 Key Opinion Leaders in Fintech by Onalytica alongside leading experts globally. I would also like to congratulate CFTE's close collaborators and experts who have been featured in the top 100 listing by Onalytica."
