

CFTE Announced as Knowledge Partner for Fintech Surge 2024 in Dubai

Europe, Asia, Middle East [11th October 2024] - CFTE is proud to announce that we will be attending Fintech Surge 2024 as a Knowledge Partner, bringing together leading voices from the world of finance and technology.

Fintech Surge is a Global Fintech Hub for Innovation, held at Dubai Harbour from 13-16 October, and is a key event showcasing the latest innovations across Digital Finance, Blockchain and AI. The event provides a platform for innovators, investors, and regulators to collaborate and discuss the future of finance.

Duration: 13th - 16th October

Location: Fintech Surge, Dubai Harbour

As part of this partnership, CFTE Co-founder, Huy Nguyen Trieu will deliver a keynote addressing the transformative impact of AI on the job market. He will also moderate an exciting panel discussion "From AI to Web3 - Navigating the New Jobs of Finance", featuring industry leaders from across the financial technology sector. **CFTE as a knowledge partner, our community will also be getting 25% off to register with this promo code: FINBLENS25**

With CFTE's Vision to empower finance professionals and where we have trained 85% of the global workforce in financial services, this partnership with Fintech Surge emphasises CFTE's mission to drive innovation and help professionals upskill in a rapidly evolving sector and equip them with cutting-edge insights on the future of work in finance.

Huy Nguyen Trieu speaking on The Impact of AI on Jobs and Preparing for the Future

Huy Nguyen Trieu will offer insights into how artificial intelligence is transforming the job market in financial services, highlighting both the opportunities and challenges it presents. He will also discuss strategies for professionals and organisations of financial institutions to stay ahead in this rapidly changing landscape.

Panel Discussion: "From AI to Web3 - Navigating the New Jobs of Finance"

Moderated by Huy Nguyen Trieu, this panel discussion will delve into the latest developments in AI, blockchain, and Web3 technologies and their impact on jobs within the financial sector. This discussion also explores the critical skills required to succeed in this digital age, the role of AI and blockchain in reshaping job roles, and how organisations can adapt to meet the needs of a technology-driven workforce.

The esteemed panellists include:

- **Amith Rajan**, Executive Vice President, Head of Wholesale Digital Banking & NeoVentures, Mashreq Corporate & Investment Banking Group
- **Hartnell Ndungi**, Chief Data Officer, ABSA Financial Services Africa Holdings
- **Tariq Mattar**, Director, Bahrain FinTech Bay

Date: 14th October (Monday)

Time: 15:40 - 16:00

Location: Fintech Surge, Dubai Harbour
